TREATS PER DAY

SUPPLEMENTS

TRANSITIONING TO A NEW DIET

When pets suddenly switch from one diet to another, it can cause stomach upset and other issues. That's why it's important to slowly introduce your pet to this new diet over the course of 7 days.

Contact your veterinarian if you have questions or concerns.

Formulated to meet the specific needs of your cat

DH DENTAL HEALTH

Developed with a unique, crunchy kibble texture and proven to significantly reduce tartar and plaque buildup. A high-quality nutrient blend that's great for everyday feeding.

HA HYDROLYZED

Contains hydrolyzed protein, which is protein that has been broken down into small components to be less likely to cause an adverse food reaction in certain cats. Highly digestible, made with high-quality ingredients and also supports a healthy urinary system.

DM DIETETIC MANAGEMENT

High protein and low carbohydrate to help support the unique nutritional needs of diabetic cats. Also supports your cat's urinary health.

NF KIDNEY FUNCTION EARLY CARE

Made with a moderate amount of high-quality protein and restricted phosphorus.

NF KIDNEY FUNCTION ADVANCED CARE

Made with a reduced amount of high-quality protein and restricted phosphorus.

EN GASTROENTERIC

Energy dense and made to support the unique nutritional needs of cats with GI conditions. Made with high-quality ingredients, these diets also support urinary health.

OM OVERWEIGHT MANAGEMENT

Specially formulated to help cats lose weight while maintaining muscle and support a healthy urinary system.

EN GASTROENTERIC NATURALS WITH ADDED VITAMINS & MINERALS

Made with a high level of protein and low level of carbohydrates to meet the unique needs of cats with GI conditions. Made with high-quality ingredients and formulated without corn, wheat, or artificial colours and flavours.

UR URINARY St/Ox

Made with high-quality ingredients and formulated to help reduce the risk of urinary stone formation.

Wellness products

essentialcare

essentialcare® line of wellness products was designed to meet your cat's specific nutritional needs through all life stages.

Supplements and Treats

Additional products

Crunchy Bites Feline Treats

Calorie-smart, tasty treats with a crunchy texture that helps clean teeth and freshen breath.
